

Mission Heights Primary School

Family & Friends

'Growing Excellence' through innovative and constantly evolving personalised learning

Mission Heights Primary Family and Friends (MHP F&F) is a voluntary organisation that works collaboratively with the school's Principal, Management Staff and the Student Council to lead approved fundraising and social activities that unite the School community.

MHP F&F's aim is to provide a link between the school and its parent community whereby exchange of ideas and sharing of information can take place to enhance a sense of community and where required raise additional funds for a wider range of facilities and resources to support the great work that goes on at Mission Heights Primary School to 'Grow Excellence' in teaching and learning.

New members are welcome to join the committee anytime during the year or to just simply become a friend of the MHP F&F and help out with specific school and social community event/s, projects and activities such as the Disco, Uniform Sales or an annual fundraising initiative.

We value every contribution made by families and community organisations to MHP F&F fundraising activities throughout each year.

Meetings are held once a term, usually on the second Monday of the term. The meetings are held in the 'Meeting Place' from 6.30pm – 7.30pm that generally focus on information events requested by parents.

You are most welcome to contact us at: mhpfamilyandfriends@gmail.com or just come to our next monthly meeting.
