13th December- 12.30 pm

Last Day of Term 4

Kia ora, Namaste, Ni hao, and welcome back to the final term of 2019 in the Middle Learning Community. A warm welcome to our new parents and students who have joined us this term. It's going to be another busy term for us with: Athletics Day, Grandparents Day, EOTC trip to Sonshine Ranch, Swimming and the MHP School Fair. We would like to say thank you to all the parents who have helped us throughout the year, it was great to have so much involvement from parents in the MLC, your help is truly appreciated. We have one more trip booked so will need your continued support this term as well. We look forward to finishing off 2019 with lots of successful memories.

Integrated Studies

In the MLC, we will continue with our big umbrella theme of 'Change'. This term we will be creating our sustainable product to sell at the school fair. The students will have the opportunity to buy their own products during Week 3 before the School Fair in Week 4.

In the second half of the term, we will be learning about natural disasters and developing actions plans around keeping ourselves safe. We are all looking forward to a term filled with lots of exciting learning.

School Uniform

We have very high expectations of all our students and wearing the correct uniform is part of these expectations. Please remember Term 4 is a Summer term so the Summer uniform is to be worn; hats must now be worn at all break times, hair ties must be school colours only (preferably plain black); Black sandals or school shoes should be worn with full uniform to and from school.

Homework Expectations

Each week your child will have: 10 spelling words, reading and any other specific homework given by the Learning Zone teacher. Students must carry their school diary with them everyday. Please do sign their school diary each night to verify that they have done their assigned tasks. Please ensure that your child has access to Mathletics and Reading Eggspress so they can complete any set tasks at home every night.

“Growing Excellence”

School Athletics Day

The school Athletics Day will be held in Week 4 this term. This year MHP has launched our new house colour T-shirts. The T- shirts are available at the school reception for \$15. We encourage all students to buy their house colour T- shirt and wear it on the day. Your child will need to bring a full water bottle and their PE uniform to school daily over the next 4 weeks as the Learning Zones will be taking all available opportunities to practice the different skills and events that will be taking place. Students are encouraged to apply sunscreen as they will spend some time outside that day.

Calendar Art

During term 3 our students have been busy designing art work for 'Calendar Art'. Each student has created a picture that has been individually printed onto various items. These items will be for sale as: Calendars, Greeting cards, Diaries, Mouse mat and Sketch Pads. They will be on sale from **Monday 21st October until Monday 4th November at 9am.** Your child will bring home a letter on Friday 18th October outlining where and how to purchase the items. The items make excellent Christmas presents for family and friends so please ensure your orders are completed by **4th November.**

General Reminders

The school day begins at 8.30am, so please ensure your child is at school with sufficient time to get organised for the school day. This may include getting changed into fitness gear, finishing activities and completing their communications. With the beginning of daylight saving we have noticed that some students are arriving to school quite early so just a gentle reminder that there is no one to supervise students if they are dropped off too early in the morning.

MLC Teachers

These are the current teachers in the MLC and their email details should you wish to contact them.
