# International Students Policy

## **Rationale**

This policy outlines the school's purpose and benefits for the enrolment of fee-paying international students. By enrolling international students, the school aims to empower students with the skills and knowledge they need to succeed. Students will learn from outstanding teachers, make lifelong friends and leave Mission Heights Primary School equipped for the next step – whatever that looks like is up to you. Success with us is just the beginning. School is about more than just academic education. Our goal is for all our students to master many life skills and make memories they will cherish for the rest of their lives.
